<b>ChildStrive</b> serves children under three who have developmental delays or disabilities. They utilize proven approaches to provide parent coaching in the child and family's natural learning environment – home, child care, library, park, etc. Services include developmental assessment and evaluations; Occupational, Physical, Speech Therapy, and Educational Services through a Parent Coaching Model; Counseling / Social Work Services; Resource Coordination; and Parent Education and Support.	ChildStrive serves the Northshore School District and Shoreline School District.	98011, 98012 98021, 98028, 98052, 98072, 98077, 98177, 98155, 98133, 98125	Please call Annel Zuniga at 425-353-5656 ext7318  Or FAX referrals to 425-771-8479
<b>Encompass</b> Through its mission to “nurture children, enrich families and inspire community,” Encompass works to create a service hub for families and children. Early Intervention services are primarily provided to families in their own homes allowing therapists to use normal everyday activities as a part of the therapy program, making therapy fun and non-intimidating.	Encompass Birth to Three Early Intervention Program has served children who live in the Snoqualmie, Riverview and Issaquah school districts.	98027 98050 98065 98045 98059- partial 98014 98024 98019 98029 98075	To schedule an evaluation to see if your child qualifies for early intervention, contact our intake coordinator, Intake coordinator Summer Nowicki 425-888-3347 ext2311 Fax 425-888-3347
<b>The Experimental Education Unit (EEU)</b> , located at the University of Washington, provides Early Intervention Services including both home-based and center-based services to children and their families. Center-based services are provided in the context of inclusive play groups, where children with developmental delays as well as typically developing children participate. Speech therapy, motor therapy, and special instruction are incorporated into the play groups during play, snack times, music, and outdoor activities.	Serving primarily children and families in the Seattle School District. We also have contracts with Shoreline and Kent.		Beth Younger at (206) 616-1347

<b>Kindering</b> Kindering houses the largest and most comprehensive Early Intervention program in Washington. We begin with a comprehensive team assessment. If eligible, we discuss which of our many services meet your family's unique needs. This may include speech-language therapy, occupational or physical therapy, or education provided in your home or in a Kindering-run playgroup or preschool. We also have programs for the entire family, such as Mothers' Circle, Father's Network, SibShops for siblings of children in services, family therapy, and family resources coordination. Please see <a href="http://www.kindering.org">www.kindering.org</a> . <p><b>SKIP Early Intervention</b>  provides home and community based early intervention services for eligible children ages birth to three. At SKIP every family is paired with a Family Resources Coordinator (FRC) and service provider(s) from a team that includes Speech Therapists, Physical Therapists, Occupational Therapists, and Early Education Teachers. Together with the family, we create an Individualized Family Service Plan (IFSP) that addresses each family's unique concerns, as well as their hopes and dreams. Along with direct therapy and education services, SKIP providers coach families and caregivers on how to recognize learning opportunities which occur during typical family routines. Services are provided in the child's home, daycare, and other community settings. Inclusive developmental playgroups (with parent participation and typically developing peers) are also available at both SKIP locations in Kent and Burien. CHERISH services available for foster children and families.</p>	<p>SKIP serves families who live in the following school districts: Auburn (east of Hwy 167 and Hwy 18 interchange and North of South Auburn Way/Hwy 164), Enumclaw, Kent, Tahoma, Highline, Tukwila, Renton (south of Sunset Ave.), and a small part of Issaquah (bordering areas around Northeast Renton/Maple Valley).</p>	<p>98001, 98002, 98092 (E of Hwy 167 &amp; Hwy 18 interchange &amp; N of S.
